

### LED BARRIER ARM

Gate accidents are common but avoidable when using GateArms+ LED Barrier Arm. These are compatible with all common gate operators, old or new! Industrial grade LEDs are solid red when the gate is fully closed, flashing red when in motion, and solid green when fully open. LEDs flash amber during interlock situations. Better visibility for drivers, bicyclists and pedestrians.

#### HIGHLIGHTS:

- ✔ 3" round aluminum pole w/built-in LEDs
- ✔ Mounting brackets w/breakaway design
- ✔ Tough IP68-rated LED Strips
- ✔ Versatile, programmable LED Controller
- ✔ Totally weatherproof and durable
- ✔ 8'-17' lengths, single or double-sided
